

# Global Health and Safety Policy

***We believe that the safety of our employees around the globe is the highest importance. Health and safety are, and must be, the top priority and responsibility of each employee.***

***We are committed to the prevention of injury and occupational illness.***

***We will comply with all applicable regulations. We promote the continual improvement of our health and safety systems and performance.***

***We have provided systems for verifying compliance, reporting injuries or health concerns, and for monitoring the effectiveness of our health and safety processes.***
